

Grandy & Associates

# Gene Heacock

Team Solutions Manager

## Background

Gene Heacock brings over 40 years of leadership, leadership development, team training, and coaching experience to Grandy & Associates. He is passionate about serving people by helping them achieve their growth potential as a leader.

## Accomplishments

Gene has served as executive director of the Sandberg Leadership Center; executive director of Lifework Leadership, and is a certified coach. He has provided leadership development programs for national associations, led conferences and training programs for business and non-profit organizations. He has served as a specialist for numerous startups and as a consultant for turnaround organizations. He was general manager of CANE Incorporated which was a startup within the plastics industry.

He has taught Master and Doctoral level courses in leadership, team building, and organization development. He holds Bachelors, Master, and Doctoral degrees. He is certified as a Professional Behavioral Analyst from TTI International. He is recipient of grants and endowments from the Days Foundation, The Lilly Foundation, and Duke University.
